

## CROSSFIELD AGRICULTURAL SOCIETY

### Funding Request Letter

To whom it may concern

In an effort to streamline our funding requests, we have decided to create a clear schedule to simplify the process, and to facilitate timely responses for funding requests. The Ag Society currently has a budget allocation to fund events related to agricultural, home economics, and community building. There is also a budget allocation to fund youth leadership and skill development programs. If you think your funding request fits these criteria, please fill out a funding request form, and submit it to the Ag Society e-mail address on the form [crossfieldagsociety@gmail.com](mailto:crossfieldagsociety@gmail.com) .

Funding requests for each calendar year must be received by April 1<sup>st</sup> . Funding decisions will be finalized at the monthly meeting the second Wednesday of May, and funding cheques will be issued by the end of May. Late submissions may be considered if there are any funds available. If there are no funds left, the application can be rolled over and included in consideration for the next year.

If you have any questions about funding requests from the Ag Society, please e-mail [crossfieldagsociety@gmail.com](mailto:crossfieldagsociety@gmail.com)

Thank you
